Please note that the three other references cited in the Office Action, namely EP 0 859 540 A1, XP 000 454 473, and XP 000 484 671, were cited in applicant's previously submitted Information Disclosure Statement of February 3, 2005.

In compliance with the requirements of 37 C.F.R. §1.98(a)(3), as a concise statement of relevance, as it is presently understood by the individual designated in 35 U.S.C. §1.56(c) most knowledgeable about the content of the information, the undersigned attorney of record submits the European Office Action of March 10, 2006, which office action is in the English language for purposes of explaining any non-English language citations made of record herein. The undersigned attorney hereby states that each item of information contained in this Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement.

Respectfully submitted,
